- ✓ Safe and effective training
- ✓ Improved libido
- ✓ Enhanced athletic performance
- ✓ Pain relief and prevention
- ✓ Strengthened bladder control

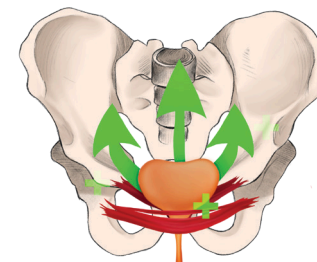

HERE'S HOW IT WORKS:

➔ Before treatment

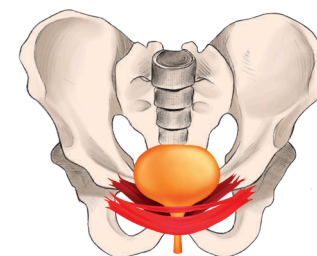

Pelvic floor weakness has a significant impact on the body and overall well-being.

➔ During treatment

Magnetic waves that trigger over 12,000 contractions in your pelvic floor, addressing the root cause of many issues.

➔ After treatment

After just a few sessions, you will be able to consciously contract and perceive your pelvic floor.

This effectively combats the root cause of your symptoms and helps you regain your quality of life.
